EXPLANATIONS AND COMMENTS: Please type; This form will be reproduced as it is submitted! (Please use space below for additional observations of performance or to clarify the competency ratings. Limit comments to space provided.)

Megann Wenger completed her early childhood student teaching experience at Belmont Community Schools. Our Pre-Kindergarten program consist of 2 half day sections that meet 5 days a week. The section Megann worked with has 18 students and 1 teacher. Megann taught in my classroom for 6 weeks.

Megann participated fully from the start. She assisted in planning lessons, teaching daily centers, and disciplined when necessary. She did a great job of planning activities based on our weekly themes. She planned, organized and taught a one week unit on teeth. Her unit was well researched, organized, and executed. The students truly enjoyed all of the planned activities.

Megann was very positive with the students and did a nice job of telling them what they should do versus putting it negatively and telling them what they "shouldn't do". She was very good at catching the students doing "good" and praising them.

Megann is a very friendly teacher and immediately formed relationships with all of the students. My students trusted her and looked to her for help and comforting. Megann also had the opportunity to meet several parents and was professional in her interactions.

Megann is a hard working, flexible, and responsible teacher. She is able to take suggestions and adapt quickly when necessary. She will make a wonderful addition to any school district.
